Effective **September 1, 2020**, it became **mandatory** that all Berkshire Village Townhouses members carry an **HO6** “walls in” coverage insurance policy with Berkshire Village Townhouses 1862 S 31st St., Kansas City, KS 66106 listed as an additional named insured. Proof of required insurance must be kept in the Berkshire Village Townhouses office **at all times**. All members will be required to carry coverage as summarized below and all new members will be required to provide proof of coverage prior to being allowed to move in. Proof of required insurance must be kept in the Berkshire Village office at all times.

Due to the type of buildings Berkshire Village is made up of, requiring this type of policy protects our members and Berkshire Village. Regardless if the Cooperative required this coverage or not, the member would still be responsible for losses, so this mandatory insurance just ensures that members are adequately covered.

Your HO6 ‘walls in’ insurance policy should cover the following:

- Building property, which is the “walls in” coverage – which means that you are responsible for building back the interior building in case of damage, from the “walls in” (such as sheetrock, floors, cabinets, light fixtures, etc...)
 - Minimum recommended coverage based on unit size: \$59,000 for a 2 bedroom and \$72,000 for a 3 bedroom.
- Any improvements you have added to your townhouse; coverage depends on the value you assign to your improvements.
- Personal property, which will cover the cost of any loss to personal property; coverage depends on the value you assign to your personal property.
- Loss of use, which would provide you with temporary housing in case you are displaced due to a fire, storm or other interior unit damage.
- Personal liability, which will cover damages to a person or property that you are responsible for. For example, if you caused a fire that damaged your unit or other units, you would be responsible for all costs except for the interior wall structure. If you do not have enough coverage, the insurance companies will subrogate against you personally, so having enough Personal liability coverage is critical for your protection.
 - Required coverage minimum is \$300,000 (preferably \$500,000) per occurrence.
- Loss assessment, which will cover any assessments to you as a member.
 - Minimum recommended coverage \$10,000.
- You will need to check with your insurance company to make sure that you have the proper endorsements for earthquakes, floods, sewer backups, loss of use, etc.

To reiterate, failure to carry at least the recommended and required coverage as stated above, could result in the member personally being responsible for damages in excess of the coverage in place. The recommendations and requirements listed above are minimums and Berkshire Village is not responsible for costs that exceed the amount of coverage you obtain. If your coverage is not sufficient to cover the loss, the member will incur additional out of pocket costs at the time of the claim.

The property insurance policy that Berkshire Village Townhouses carries only covers building structures and common area fixtures owned by the Cooperative. This type of insurance is standard for these types of buildings.

Failure to maintain the required HO6 insurance coverage at all times during your membership and occupancy at Berkshire Village Townhouses will be considered a violation of the Berkshire Village Townhouses Rules & Regulations and subsequently a violation of your Occupancy Agreement.

Penalties for failure to provide *and* maintain the required HO6 insurance policy as described above are as follows:

1. **\$100.00** fine assessed to your account per month for every month the insurance described above is not in place for up to 3 months.
2. If after 3 months, the insurance as described above is still not in place, a fine of **\$200.00 per month** will be assessed to your account for up to 3 months.
3. If after 6 months, the insurance is still not in place, you will be placed in default of your Occupancy Agreement which, if not corrected in ten (10) days, will lead to **termination of your Membership and Occupancy** at Berkshire Village Townhouses and legal action will be brought against you.
